

Year 4

Autumn Term 1

Discussion What is your role in our school community? Why are roles important to our school? Discuss this with a friend or family member and write down your favourite parts of the discussion.	Reading Easter Island Comprehension: Read the passage carefully and answer the questions.	Maths Make your own flash cards to practise times tables! You can make them for just one table you want to improve on or make them a mixture to practise all!
Writing Write a detailed description of an animal you would find in South Africa! Make sure to use many adjectives and expanded noun phrases in your writing to make it entertaining and vivid!	Science Most of the gadgets we love these days require electricity, but the way we produce the electricity comes with a price: climate change. Make a poster all about renewable ways to produce electricity!	Recital Find a poem or song about Africa and learn it to perform to the class.
History This term, we are learning about Roman Britain. Research and find 10 interesting facts about Roman Britain. Can you find some of the countries that the Romans invaded?	Art Plain white marble statues would normally have been full of colour during the Roman times. Decorate the attached statue of Augustus Caesar to make it stand out but still look regal. 	MFL: Spanish Make your own glossary at least 10 classroom objects. Make sure to write the words in Spanish and English correctly. Could you add a nice picture as well?
