E-Safety

As part of the Computing Curriculum, children will be taught about keeping safe online and how to minimise their cyber footprint.

We would encourage **NO screen time for the hour before children go to bed** as research shows that this helps to ensure children are well-rested and maximises their learning potential.

Please be aware of the age limits for games and apps. Many games are 13+ as are most messaging or social media apps.

Learning in Little Evergreen

Little Evergreen follows a Reception based curriculum tailored to the specific needs and interests of the children.

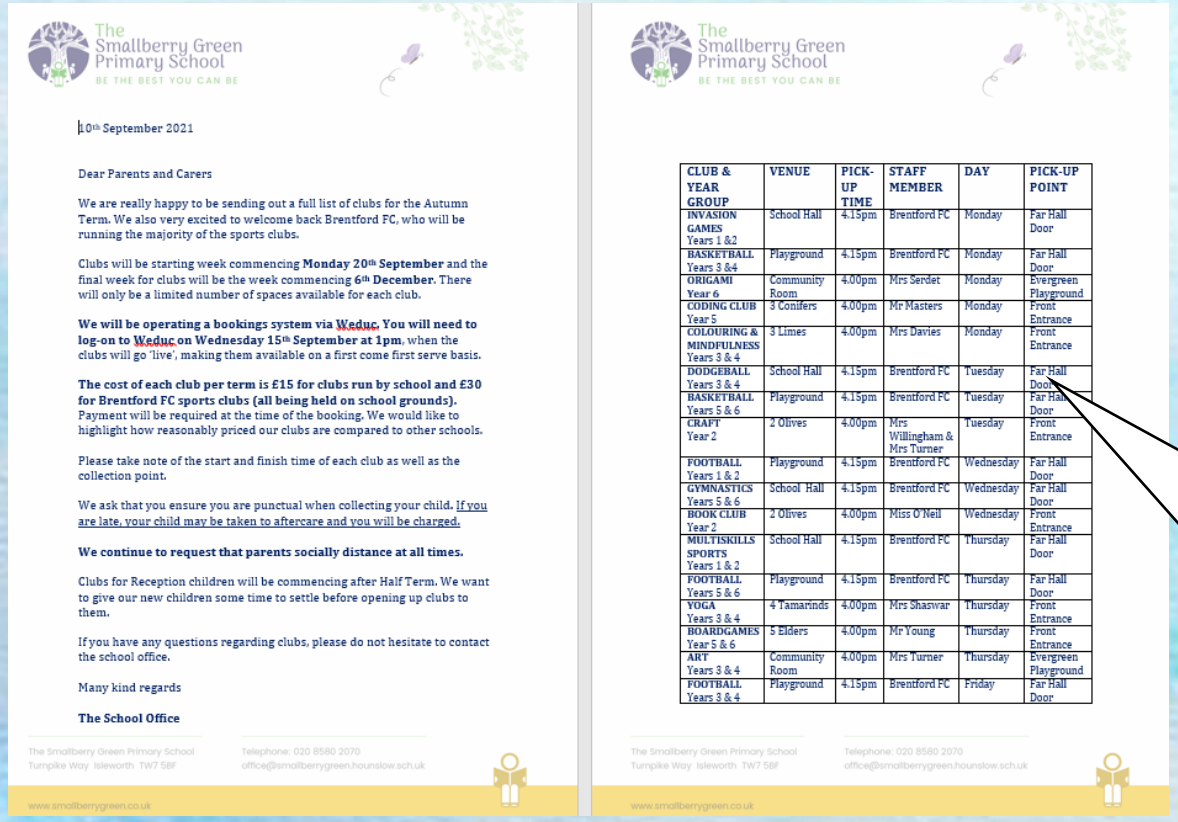

The Reception based curriculum follows a holistic approach, where children learn through cross curricular links to support children's learning and understanding.

After-School Clubs

Children in Little Evergreen and Evergreen can be supported to join clubs that they are able to access and enjoy. There is a wide range of clubs available.

10th September 2021

Dear Parents and Carers

We are really happy to be sending out a full list of clubs for the Autumn Term. We also very excited to welcome back Brentford FC, who will be running the majority of the sports clubs.

Clubs will be starting week commencing **Monday 20th September** and the final week for clubs will be the week commencing **6th December**. There will only be a limited number of spaces available for each club.

We will be operating a bookings system via Weduc. You will need to log-on to Weduc on Wednesday 15th September at 1pm, when the clubs will go 'live', making them available on a first come first serve basis.

The cost of each club per term is £15 for clubs run by school and £30 for Brentford FC sports clubs (all being held on school grounds). Payment will be required at the time of the booking. We would like to highlight how reasonably priced our clubs are compared to other schools.

Please take note of the start and finish time of each club as well as the collection point.

We ask that you ensure you are punctual when collecting your child. If you are late, your child may be taken to aftercare and you will be charged.

We continue to request that parents socially distance at all times.

Clubs for Reception children will be commencing after Half Term. We want to give our new children some time to settle before opening up clubs to them.

If you have any questions regarding clubs, please do not hesitate to contact the school office.

Many kind regards

A letter should have come home with the children stating all the different clubs on offer and information on how to sign up!
We want all children from Evergreen and Little Evergreen to be able to attend these, so please see Mrs Fletcher about support.
